

FUNDING

newsletter

Welcome to the latest edition of the Research Connect Funding Newsletter which presents current funding opportunities open to Trust researchers, including their maximum value, the application deadline, and a link to the full funding details.

BCHC subscribes to Research Connect thus allowing staff members the opportunity to search personally for funding opportunities from UK as well as international funders. If you would like to register and perform your own funding searches, please contact:

Kamila.Lipiec@nhs.net or d.a.lammas@gmail.com

Research & Innovation Team

In this Issue you will find funding calls for:

- Page 1. NIHR Lectureships
- Page 2. NIHR Funding Schemes
- Page 3. NIHR Funding Schemes
- Page 3. NIHR Funded Primary Research Topics
- Page 4. Pilot & Small Research Grants

NIHR LECTURESHIPS

NIHR IAT Clinical Lectureships in Medicine and Dentistry

Support for fully qualified GPs, doctors, and dentists in specialist training (who already hold a higher research degree) to enable them to undertake postdoctoral research.

Max value: Discretionary. Application deadline:31.03.25.

NIHR FUNDING SCHEMES

NIHR PHR: Rapid Funding Scheme

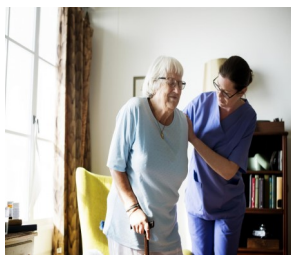

Funding to conduct rapid baseline data collection, as well as other feasibility work, prior to intervention implementation, for time-limited opportunities such as a natural experiment or similar evaluations of a new public health intervention.

Max value: £50,000 Application deadline 27/12/2024.

Links: <https://www.nihr.ac.uk/funding/public-health-research-programme-rapid-funding-scheme/20247>

SUPPORTED BY

NIHR

**NIHR Research Programme for Social Care (RPSC)**

Funding for universities and providers of care services for high-quality social care research that generates evidence to improve, expand and strengthen the way adult social care in the UK is delivered for users of care services, carers and the public.

Max value: Discretionary. Application deadline: 26.06.24.

Links: <https://www.nihr.ac.uk/funding/research-programme-for-social-care-call-2/35589>

NIHR Invention for Innovation—Funding at the Speed of Translation) Awards

Grants to advance healthcare technologies and interventions in primary care settings with the aim of enabling earlier or more accurate diagnosis and patient stratification, leading to more effective use of therapies or therapy monitoring.

Max value: £50,000. Application deadline: 03.06.24.

Links: <https://www.nihr.ac.uk/documents/invention-for-innovation-fast-guidance-for-applicants/29972>

**NIHR Incubator Competition**

Support for current NIHR Incubators and new groups that operate within NIHR's remit and address an area/discipline where there is a need to build research capacity on a national level.

Max value: Discretionary. Application deadline: 20.06.24.

Links: <https://www.nihr.ac.uk/funding/nihr-incubator-competition-2024/35649>

NIHR Application Development Award for Health and Care Professionals

Funding to develop the research careers of Health and Care Professionals (HCPs) by supporting future funding applications for any of the NIHR research programmes.

Max value: £150,000. Application deadline: 26.09.24.

Links: <https://www.nihr.ac.uk/funding/2420-nihr-application-development-award-for-health-and-care-professionals/35573>

**COMMUNITY-BASED HEALTH INTERVENTIONS****NIHR Public Health Research Programme (PHR)**

Funding available to support public health research projects. The main focus of the programme is to evaluate the effectiveness and cost-effectiveness of public health interventions.

Max value: Discretionary. Application deadline: None specified.

Links: <https://www.nihr.ac.uk/explore-nihr/funding-programmes/public-health-research.htm>

NIHR Funding Schemes Cont :

NIHR Research for Patient Benefit Programme (RfPB)

This programme supports researcher-led initiatives that increase the effectiveness of NHS services, provide value for money and benefit patients.

Max value: £500,000. Application deadline: 10/07/24.

Links: <https://www.nihr.ac.uk/explore-nihr/funding-programmes/research-for-patient-benefit.htm>

NIHR Challenge Funding Call - Maternity Inequalities

Funding to join a consortium of organisations with expertise in research and capacity building to drive actions to reduce maternity inequalities and improve the health of women and babies across the UK.

Max value: Discretionary. Application deadline: 22/05/24.

Links: <https://www.nihr.ac.uk/funding/nihr-challenge-maternity-inequalities/35383>

NIH Bench-to-Bedside and Back Program

Funding from the National Institutes of Health (NIH) to support research teams seeking to translate basic scientific findings into therapeutic interventions for patients, and to increase understanding of important disease processes.

Max value: £117,623 (150,000 USD). Application deadline: 12.05.24.

NIHR HTA - List Of Primary Research Topics for Commissioned Workstream Funding

Link For All Calls Topics Listed Below: Health Technology Assessment (HTA) Programme:

<https://www.nihr.ac.uk/explore-nihr/funding-programmes/health-technology-assessment.htm>

- **Facilitated Access to Mutual Aid for Adults with Problem Alcohol & Drug Use - HTA call 24/14.**
- **Optimal Management of Perianal Crohn's Disease - HTA call 24/10.**
- **Pain Management Programmes for Endometriosis - HTA call 24/15.**
- **Effectiveness of Technologies for People Living with Deaf/blindness in Social Care Settings - HTA call 24/16.**
- **Digital Technology Enabled Interventions in Social Care - HTA call 24/13.**
- **Improving Outcomes for Children and Young People in Care Using Interventions that Combine Mentoring with Skills Training – HTA call 24/12.**
- **Nebulised Therapy in Patients with Stable Chronic Obstructive Pulmonary Disease and Disabling Breathlessness – HTA call 24/11.**
- **Recovery Check-Ups Following Treatment for Problem Alcohol & Drug Use – HTA call 23/159.**
- **Clinical Prediction Models for Early Onset Neonatal Infection – HTA call 23/159.**
- **Management of Metabolic Morbidity in Women and Others with PCOS – HTA call 23/160.**
- **Optimising Treatment Duration with Immunomodulators to Reduce Overtreatment – HTA call 23/167.**
- **L-dopa for Neovascular (Wet) Age-Related Macular Degeneration? Can It Reduce the Need for Anti-VEGF Injections? – HTA call 23/166**

Pilot & Small Grants

Chronic Disease Research Foundation Pilot Grant

Funding for pilot studies into chronic disease leading to a larger application for funding.

Max value: £10,000. Application deadline: None specified.

Link: <https://www.cdrf.org.uk/grant-applications>

**Healthcare Infection Society (HIS) - HIS Pilot Project Grants**

Funding for small pilot projects in the field of healthcare-associated (nosocomial) infection, including hypothesis testing and projects to generate preliminary data for external funding applications.

Max value: £5,000. Application deadline: None specified.

Links: <https://www.his.org.uk/funding-awards/>

Rosetrees Trust Seed Corn Awards

Funding available to enable researchers to advance novel ideas related to the prevention, diagnosis and/or treatment of human diseases.

Max value: £15,000. Application deadline: 30.08.24.

Links: <https://rosetreestrust.co.uk/seedcorn-awards/>

Multiple Sclerosis

**European Charcot Foundation (ECF) - ECF Small Grant**

Small grant awards to support members of the European Charcot Foundation undertaking small research projects in multiple sclerosis to gain experience of applying for, conducting and managing research projects.

Max value: £17,159 (€20,000). Application deadline: 30.09.24.

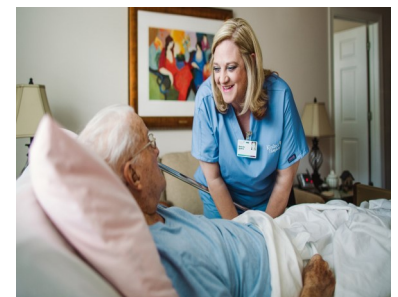

Links: <https://www.charcot-ms.org/career-advancement/ecf-small-grant>

National Garden Scheme Professional Development Grants

Grants to benefit hospice staff by funding professional development courses.

Max value: £1,500. Application deadline: None specified.

Links: <https://www.hospiceuk.org/national-garden-scheme-professional-development-grants#content-menu-19443>

Health Inequalities

**Birmingham Fairer Futures Fund – City-Wide Small Grants**

Grants are available for community organisations to address health inequalities for communities of identity across Birmingham.

Max value: £15,000. Application deadline: 12.07.24.
