

FUNDING

newsletter

Welcome to the latest edition of the Research Connect Funding Newsletter which presents current funding opportunities open to Trust researchers, including their maximum value, the application deadline, and a link to the full funding details.

BCHC subscribes to Research Connect thus allowing staff members the opportunity to search personally for funding opportunities from UK as well as international funders. If you would like to register and perform your own funding searches, please contact:

Kamila.Lipiec@nhs.net or d.a.lammas@gmail.com

Research & Innovation Team

In this Issue you will find funding calls for:

- Page 1. Sigma Nursing Awards & grants
- Page 2. Studentships & Fellowships
- Page 3. Fellowships & Travel Grants
- Page 4 Awards, Conference Grants, Scholarships
- Page 5. Research Grants

Sigma Nursing Awards

Sigma/Doris Bloch Research Award

Funding to encourage nurses to contribute to the advancement of nursing through research.

Max value: £38,953 (50K USD). Application deadline: 01/07/2024.

Link: <https://www.sigmanursing.org/advance-elevate/research/research-grants/doris-bloch-research-award>

Sigma/Joan K Stout RN Research Grant

One-year grant for nurse researchers to undertake evidence-based study on the impact of the practice of simulation education in schools of nursing and clinical care settings.

Max value: £4,064 (5,000 USD). Application deadline: 01/07/2024.

Link: <https://www.sigmanursing.org/advance-elevate/research/research-grants/joan-k-stout-rn-research-grant>

If you have previously applied or are thinking of applying for funding, please let us know by completing our questionnaire here:

RESEARCH STUDENTSHIPS & FELLOWSHIPS

Diabetes UK PhD Studentship

Funding available to enable experienced researchers to recruit outstanding science graduates to study for a PhD in the field of diabetes-related research.

Max value: Discretionary. Application deadline 31/08/2024.

Links: <https://www.diabetes.org.uk/our-research/for-researchers/>

**Versus Arthritis Career Development Fellowship**

Fellowships available to postdoctoral scientists, vets, nurses and allied health professionals in the UK allowing them to progress their career and undertake research relevant to arthritis and related musculoskeletal conditions.

Max value: £750,000. Application deadline: 03/07/24.

Links: <https://www.versusarthritis.org/research/information-for-researchers/fellowships/types-of-fellowship/>

Sir George Alberti Research Training Fellowship

Funding available to enable graduate healthcare professionals to work towards a PhD or MD in diabetes research and develop a career in research.

Max value: £300,000. Application deadline 30/09/2024.

Links: <https://www.diabetes.org.uk/our-research/for-researchers/applying-for-funding/funding-schemes/george-alberti>

**Royal Society Wolfson Fellowship**

Long-term funding is available to support UK universities and research institutions in making strategic research appointments through the recruitment and retention of outstanding senior researchers.

Max value: £300,000. Application deadline: 07.08.24.

Links: <https://royalsociety.org/grants-schemes-awards/grants/royal-society-wolfson-fellowship/>

Royal Society Wolfson Visiting Fellowship

Funding available for outstanding international research leaders to undertake a flexible 12-month period of sabbatical leave in a UK university or research institution.

Max value: £125,000. Application deadline: 07.08.24.

Links: <https://royalsociety.org/grants-schemes-awards/grants/royal-society-wolfson-visiting-fellowship/>

THE
ROYAL
SOCIETY

**Health Education England (HEE) - HEE/NIHR ICA Advanced Clinical and Practitioner Academic Fellowship (ACAF)**

Fellowship scheme for postdoctoral researchers to develop their academic career while developing their health or care career.

Max value: Discretionary. Application deadline: 30.05.24.

Links: <https://www.nihr.ac.uk/funding/advanced-clinical-and-practitioner-academic-fellowship-acaf-round-5/35775>

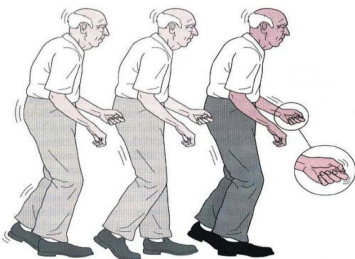

Research Fellowships

Dunhill Medical Trust (DMT) - DMT Proleptic Postdoctoral Fellowship Scheme

Postdoctoral fellowship scheme to support outstanding researchers holding temporary (rather than permanent) positions at eligible UK Departments, Centres and Institutes to enable them to conduct ageing-related research.

Max value: Discretionary. Application deadline: 31.05.24.

Links: <https://dunhillmedical.org.uk/apply-for-funding/#open-calls-and-deadlines>

Parkinson's Disease Symptoms

Parkinson's UK Senior Research Fellowships

Support for experienced researchers who wish to specialise in Parkinson's research and establish their own independent research group.

Max value: £300,000. Application deadline: 03.07.24.

Links: <https://www.parkinsons.org.uk/research/our-senior-research-fellowships>

Health Education England (HEE) - HEE/NIHR ICA Doctoral Clinical and Practitioner Academic Fellowship (DCAF)

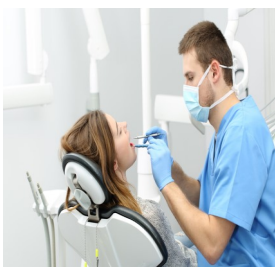

Fellowship scheme for health and social care professionals who intend to obtain a PhD by research while also developing their professional skills.

Max value: Discretionary. Application deadline: 11.06.24.

Links: <https://www.nihr.ac.uk/funding/doctoral-clinical-and-practitioner-academic-fellowship-dcaf-round-5/35484>

Travel Grants

Royal College of Physicians and Surgeons of Glasgow - T C White Travel Grant
Funding is available for Dentists to gain clinical and research experience outside of the UK.

Max value: £2,000. Application deadline: None specified.

Links: <https://rcpsg.ac.uk/college/career-support/awards-and-scholarships/travelling-awards#TCWhiteTravelGrant>

British Society of Dental Hygiene & Therapy (BSDHT) - BSDHT Travel Fund
Funding available to enable individuals to attend meetings designed to promote dental hygiene, dental therapy or oral health education.

Max value: £500. Application deadline: None specified.

Links: <https://www.bscht.org.uk/>

R & I General Enquiries:
bchc.ri-info@nhs.net

Awards, Conference Grants & Scholarships

**British Heart Foundation (BHF) Consultant Research Awards**

Funding to provide protected time to NHS consultants for substantial cardiovascular research activities in addition to their clinical roles.

Max value: Discretionary. Application deadline 24/07/2024.

Links: <https://www.bhf.org.uk/for-professionals/information-for-researchers/what-we-fund/consultant-research-awards>
